“This is what the VA health care system considers treatment and health care. This is what is killing our veterans and destroying our legacy. This is the reason for #22aday. This is the crisis our government started and fails to acknowledge.

Give me discomfort and pain, activity and brotherhood before any of the pills they shovel down our throats”, states Javier Romo. “It was not easy for me but with support I was able to. I’m just glad to be off of all of it. Thanks to all the amazing people in my life such as Ride 2 Recovery.”

**REAL RESULTS**

- More than 60% of R2R participants have reduced or eliminated their prescription drug use.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Fitness Challenge Foundation dba Ride 2 Recovery (the Organization), is the program produced by the Fitness Challenge Foundation, in partnership with the Military and VA Volunteer Service Office, to benefit Mental and Physical Rehabilitation Programs for the country's wounded veterans that feature cycling as a core activity. The Organization raises money to support Spinning Recovery Labs and outdoor cycling programs at Military and VA locations around the U.S. to help injured veterans overcome obstacles they face.

Basis of Accounting

The Organization accounts for its financial transactions using the accrual basis of accounting. The accrual basis of accounting recognizes revenues in the accounting period in which revenues are earned regardless of when cash is received, and recognizes expenses in the accounting period in which expenses are incurred regardless of when cash is disbursed.

Net Assets

Revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

*Unrestricted Net Assets:* Net assets that are not subject to donor-imposed restrictions on their use that may be met by actions of the Program or the passage of time.

*Temporarily Restricted Net Assets:* Net assets subject to donor-imposed restrictions on their use that may be met either by actions of the Organization or the passage of time. The Organization had no temporarily restricted net assets at December 31, 2014 and 2013.

*Permanently Restricted Net Assets:* Net assets subject to donor-imposed or other legal restrictions requiring that the principal be maintained permanently by the Organization. Generally, the donors permit the Organization to use all or part of the income earned for either general or donor-specified purposes. The Organization had no permanently restricted net assets at December 31, 2014 and 2013.

Unconditional Promise to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.
1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Purchased property and equipment is stated at cost and contributed property and equipment is stated at fair value at the date of contribution. Depreciation is provided on the straight-line method over the estimated useful lives of the related assets or, in the case of leasehold improvements, over the lesser of the useful life of the related asset or the lease term. Expenditures for repairs and maintenance are charged to support services as incurred, while renewals and betterments are capitalized. Upon retirement or disposal of assets, if any, the costs and related accumulated depreciation are removed from the balance sheet and any gain or loss is reflected in the statement of activities.

Functional Allocation of Expenses

The costs of providing the program have been summarized on a functional basis in the statements of activities and detailed in the statements of functional expenses. Accordingly, certain expenses have been allocated among the program and supporting services benefited based on management's estimates of time spent on the program and services.

Income Taxes

Ride 2 Recovery is a not-for-profit organization that is exempt from income taxes under Section 501 (c)(3) of the Internal Revenue Code.

Uncertain Tax Position

The Organization accounts for uncertain tax positions in accordance with ASC 740-10, Income Taxes. The guidance prescribes a recognition threshold and measurement process for financial statement recognition of uncertain tax positions taken or expected to be taken in a tax return. It also provides guidance on recognition, derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. The Organization's management believes that no uncertain tax positions exist as of December 31, 2014.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, revenues and expenses and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly actual results could differ from those estimates.
2. PROPERTY AND EQUIPMENT

Property and equipment consists of the following as of December 31, 2014 and 2013:
